Update on the Lift. We anticipate that the lift will arrive soon to enable the installation. Due to the noise and dust, we may need to close for week when it does begin. We will advise closer to the date. The development of the upstairs area for wellbeing purposes for Veterans and members, will be a much-needed addition to the Sub-Branch. If you would like to be involved or have some suggestions, please let Max Griffiths or Alex Dustan know.

Mobility Aid Register:

The Sub-Branch has a register of several items that can be issued on loan for short term and temporary use. The items include walkers, canes, shower chairs etc. If you or someone you know, has need of an item for a short period, please contact the RSL Secretary, Robyn Moody on 6382-2745. We thank those families who have donated items. If you have any used items, not currently needed or not sure what to do with, please consider donating them to the RSL for needs of others.

If you know someone who may need short term use of mobility equipment, please contact the Sub-Branch to enquire.

What's Happening at your Sub-Branch

Members and Volunteers continue to update and improve items and displays within the Sub-Branch rooms. There are items that need to be displayed. If you have an interest in Military History and have some time to spare. There are many tasks that need to be prepared and ready for display. i.e. Labels typed, photos framed, update and refresh old labelling, collection cohesion and movements, to name a few things. Pop in or phone, to let us know a day and time you can give an hour or two during the week to assist with these tasks.

We now have some photos up of local heroes. If you know of any local heroes that have served or are serving, and able to get a photo – we will display.
